

# MA Internship Prospectus

## Department of LINGUISTICS and ENGLISH LANGUAGE

---

Name:

Date:

Desired internship course: Ling 599R (Linguistics) or Ling 688R (TESOL)

Your Internship site:

Your on-site supervisor (name and email):

How will this internship contribute to your master's degree and the area of focus important to you?

Please discuss the rationale for your choice of faculty advisor and the correlation between his/her interests and your own:

Please discuss the rationale for your choice of internship supervisor and the correlation between his/her interests and your own:

---

The faculty advisor agrees:

1. that this internship will contribute to the student's academic progression and should be approved
2. that he/she will provide a syllabus with academic assignments (required by the BYU Internship Office) that will give opportunities for the intern to demonstrate academic growth
3. to assess the academic assignments and assign a final grade at the end of the semester.

---

(Faculty signature)

The internship Supervisor agrees:

1. to work closely with the faculty advisor to ensure that the intern is making meaningful progress
2. that he/she will provide the intern with constructive feedback throughout the duration of the internship
3. to complete the final summary survey (5 questions) once the intern completes his/her internship responsibilities.

---

(Supervisor signature)

To the intern:

1. complete the IRAMS application that is linked to the registration for the desired internship class
2. bring this form to Dr. Nancy Turley, 4069 JFSB, to complete the registration process
